

# PODIATRY CLINIC

A podiatrist is a clinician who deals with the prevention, diagnosis, treatment and rehabilitation of medical and surgical conditions of the feet and lower limbs. They can help improve mobility and maintain fit, active and pain-free feet.

## WHY CHOOSE MEDIWELL PODIATRY CLINIC?

- We aim to see emergencies at short notice
- After-work appointments are often available
- We work closely with our Specialist General Surgeon and other practitioners – with fast access to treatment with antibiotics, pain relief, other prescription medicines, and laboratory tests
- The extensive on-site facilities of the MediWell Podiatry Clinic mean that medical and nursing support are always available when needed
- Our Podiatrists are HCPC and College Of Podiatry registered
- MediWell Clinic is a CQC licenced (including surgical procedures) clinic

Individual treatment packages are offered based on Podiatric needs.

A range of services are offered and include:

- Biomechanics Assessment of Gait and Pathological Lower Limb Mechanics
- Prescription and Manufacture of Orthoses and Insoles
- Dermatological Assessment for the Lower Limb
- Nail Infection Treatment
